About me

I'm a student of the CSE Department, and currently, we are under our mentor institute IIT Hyderabad. I always try to learn things through practical implementation along with deep theoretical knowledge. At present, I'm trying to learn things from IITH activities. I am also the Web Development Leader at IIIT Raichur and IIITians Network. I have also worked with TEDx IIT Hyderabad.

I have working experience with C, Object-Oriented Programming in C++ and Java, HTML and CSS, Bootstrap, Jekyll, React Js, and several more Open Source Libraries like AOS, Particle Js, Owl Carousel.
